Vanguard School is a public interest private school offering adapted educational services in both languages of instruction (English and French). It provides education for students with learning disabilities within the framework of the regular programs of the Ministère de l'Éducation et de l'Enseignement Supérieur, at both primary and secondary levels.

▶ ITS MISSION

Vanguard School's mission is to provide students challenged by learning difficulties with an education that fosters academic success, builds self-esteem, enables them to reach their full potential, and facilitates their harmonious integration into society.

It delivers on this mission every day to over 1,200 students through its 250 staff members, including experienced remedial teachers, speech therapists, and other academic professionals.

▶ ITS APPROACH

- Make students the central participants in their learning, helping them to overcome academic challenges.
- Provide a personalized educational environment where students can learn at their own pace.
- Give them control over their learning thereby developing and fostering their academic motivation.
- Help them recognize their value, embrace their differences, and support their ability to meet the Ministry of Education requirements.

FONDATION

Vanguard
FOUNDATION

Vanguard School's mission is made possible by the involvement of generous partners, sponsors and donors like you.

By investing today in our young people with learning disabilities, you are encouraging their education, preventing them from dropping out and fostering the development of productive, fulfilled young citizens for our society.

THANK YOU !
