1 THREE PRIORITIES FOR FUNDING

1- HELP STUDENTS FROM LOW-INCOME FAMILIES

Provide financial assistance for school-related expenses (such as textbooks and other supplies), transportation, school uniforms, meals, participation in special programs, etc.

2- FUNDING EDUCATIONAL INNOVATION PROJECTS

To promote academic success among students with learning disabilities and provide them with tailored educational and technological solutions.

3- DEVELOP AND MAINTAIN INFRASTRUCTURE

To provide our students with a safe, modern learning environment tailored to their needs.

Vanguard School is a private school serving the public interest that provides specialized educational services in both languages of instruction (English and French). It offers instruction to students with learning disabilities within the regular programs of the Ministry of Education and Higher Education, at both the elementary and high school levels.
